### ***Hazus Overview Webinars***

Set aside these dates.

NRCAN has tentatively scheduled two separate Hazus overview webinars for February 2012.

1. Hazus Earthquake module: February 2, 2012 at 10 am Pacific Time. Demonstration of the earthquake model capabilities of the version of Hazus-MH developed by the United States by the Federal Emergency Management Agency (FEMA), incorporating information on the Canadian context.
2. Hazus Flood module: February 3, 2012 at 10 am Pacific Time. Demonstration of the flood model capabilities of the US FEMA version of Hazus-MH, incorporating information on the Canadian context

NRCAN will email an invite with webinar connection information to the complete CanHUG and RAUG mailing lists when the details for the webinars has been finalized.

### ***Does Anyone Tweet***
